# Minimalist Skincare

## What will we cover?

In this hands-on workshop, participants will make four 'instant recipes'. These are super easy and participants can make them by mixing a few ingredients in their hands, in just a few seconds! We'll create a make-up remover, a face serum and two types of scrubs. Participants will learn how to use pure, natural and biodegradable ingredients to adopt a zero-waste routine.

*This workshop is great for big groups and to promote sustainability in a field that not many realise has a big impact on worldwide pollution. It is a very engaging workshop where participants exchange on their own experience and ask many questions. We cover how to adopt a zero-waste routine, how to reduce our environmental footprint and how to avoid polluting chemicals.*

## Workshop details

- 1 to 50 participants
- duration: 1 hour or 1 hour and a half
- location: your office
- Optional add-ons: product set, raffle, booklet, face mask recipe

# Perfume Team Building

## What will we cover?

We'll set up tables with a theme (for instance, the seasons) and participants will work together to create a unique fragrance that fits that theme. At the end, each table names and presents their fragrance.

*This workshop is a fantastic team building activity: each team gets to work together to create a beautiful perfume. There are more than 50 different materials to choose from. They are all natural and vegan.*

*A premium version of this workshop is available where all participants create their own perfume.*

Please note: this workshop requires medical clearance for pregnant or breastfeeding women due to the use of essential oils in the perfumes.

## Workshop details

- 1 to 50 participants
- duration: 1 hour or 1 hour and a half
- location: your office
- Optional add-ons: extra roll-ons, perfumes, raffle, booklet, different types of perfume (spray/solid)

# Perfume Make Your Own

## What will we cover?

Each participant creates blends for their top, middle and base notes before creating their perfume. They have enough to make extra perfumes at home.

*This workshop is a premium version of our "Team Building Perfume Workshop". Instead of making one perfume per table, each participant makes their own perfume.*

*There are more than 50 different materials to choose from. They are all natural and vegan and include premium naturals, like vanilla and rose.*

*This workshop can also be booked as a full day or half-day activity.*

Please note: this workshop requires medical clearance for pregnant or breastfeeding women due to the use of essential oils in the perfumes.

## Workshop details

- 10 to 50 participants
- duration: 1 hour or 1 hour and a half
- location: your office
- Optional add-ons: extra roll-ons, perfumes, raffle, booklet, different types of perfume (spray/solid)

# Native Ingredients

## What will we cover?

Each participant will make one multi-purpose oil for face, body & bath, using native ingredients. This multi-purpose oil can be used as a face moisturiser, beard oil, leave-on hair conditioner, perfume oil and bath oil.

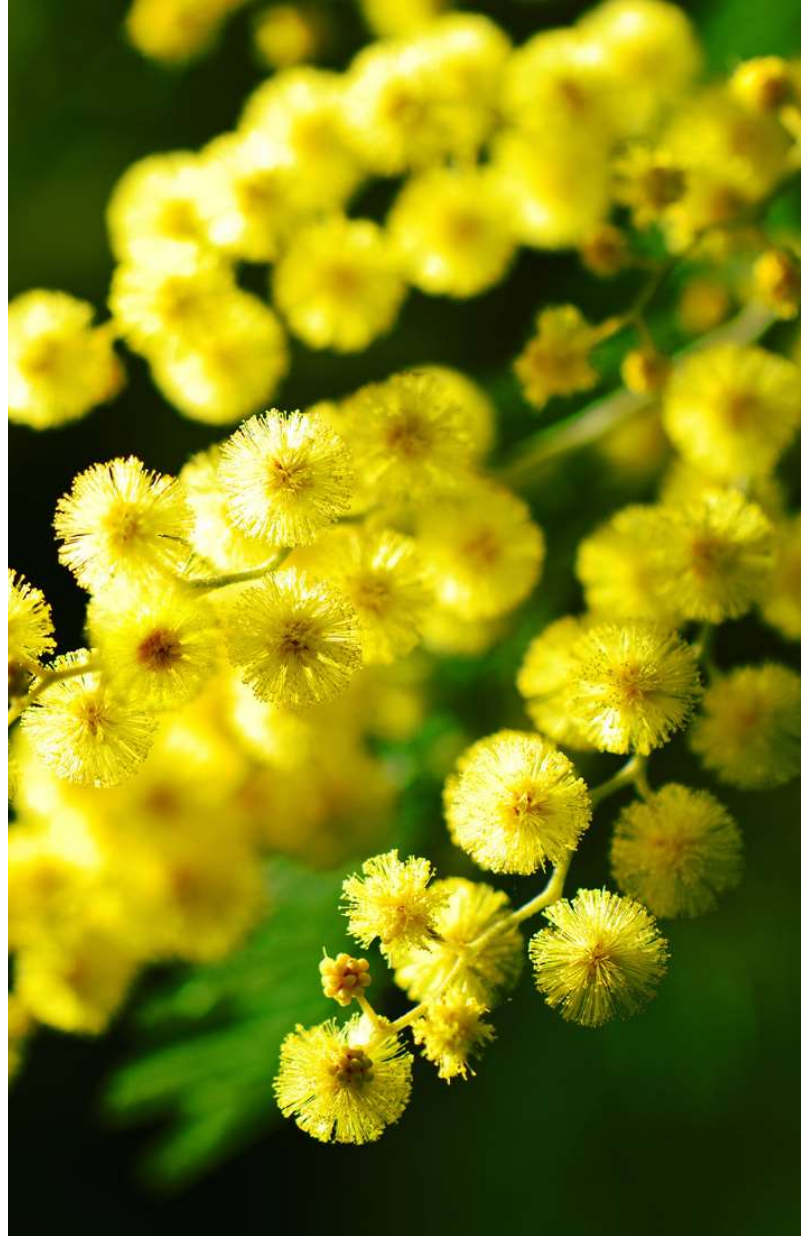

*We'll use organic jojoba oil and premium native ingredients: kakadu plum, lemon myrtle, Australian sweet orange, wattle seed, Davidson plum, quandong, blue cypress... Please note some ingredients may vary depending on seasonality.*

*We'll cover the benefits of using these ingredients, their traditional applications and each participant will formulate their own multi-purpose oil. This is also a great introduction to minimalist skincare and how to reduce waste by using multi-purpose products.*

*This workshop can also be booked as a full day or half-day activity.*

## Workshop details

- 10 to 50 participants
- duration: 1 hour
- location: your office
- Optional add-ons: Kaolin white clay mask, native powders mix & jojoba, raffle, booklet, additional recipe (face masks).

# Skincare & Haircare (VIP)

## What will we cover?

Choose two products that you'd like participants to make:

- Candle & Massage Bar
- Solid Shampoo & Hair Serum
- Lip & Body balms

*This is one of our VIP workshops: this activity is suitable for smaller groups and requires the use of more equipment compared to our other workshops. Participants make more advanced products and can take 2 home.*

*A booklet with all the recipes covered is included.*

## Workshop details

- 7 to 20 participants
- duration: 1 hour
- location: your office
- Optional add-ons: gift hampers, organic jojoba oil, raffle, massage oil recipe

# Soaps (VIP)

## What will we cover?

Each participant will make two soaps, using a choice of natural colourants and scents.

*This is one of our VIP workshops: this activity is suitable for smaller groups and requires the use of more equipment compared to our other workshops. Participants make more advanced products and can take 2 soaps home.*

*A booklet with all the recipes covered is included.*
